Sir:

The undersigned requests that a Certificate of Correction be issued for the above-identified patent as indicated on the attached Form PTO-1050.

This request is being made in order to correct the **Claims**. Please change "the EL element" to "--the light emitting element--" at Column 16, lines 18, 26, 36, 46, 56, 64; Column 17, lines 13, 18, and 29; and Column 18, lines 2, 12, and 25. It is respectfully submitted that no new matter has been added.

Issued claim 1 recites a light emitting element, and thus there is no prior antecedent basis set forth for "the EL element" when it first appears at the last line of claim 1. Furthermore, dependent claim 13 first sets forth an organic EL element which further limits the light emitting element to an electroluminescent (EL) element.

Attached is a check for \$100.00 for the required fee. If any additional fees are required in connection with this paper, please charge Deposit Account No. 50-2866.

Respectfully submitted,

WESTERMAN, HATTORI, DANIELS & ADRIAN, LLP
